

## HBA1

### Native Human Glycated HBA1c

<b>Catalog No.</b>	CSI14653B CSI14653C	<b>Quantity:</b>	100 µg 1 mg
--------------------	------------------------	------------------	----------------

**Alternate Names:** HbA1c, Glycohemoglobin, Glycated hemoglobin

**Description:** Native Human Glycated HBA1c

**Concentration:** >1 mg/ml

**GeneID:** 3039

**Source:** Human Erythrocytes

**Molecular Weight:** 68 kDa formed of 4 subunits

**Formulation:** Frozen Liquid

**Purity:** >90%

**Endotoxin Level:** < 0.1 ng/µg of protein

**Storage & Stability:** Store at -20°C. Product is stable for 1 year from date of receipt.

NOT FOR HUMAN USE. FOR RESEARCH ONLY. NOT FOR DIAGNOSTIC OR THERAPEUTIC USE.
