# Hepatocyte Growth Factor-Regulated Tyrosine Kinase Substrate (HGS) Antibody

Catalogue No.: abx013280

Western blot analysis of extracts from 293 cells and HUVEC cells, using HGS antibody.

Immunohistochemistry analysis of paraffin-embedded human testis tissue using HGS antibody.

Immunofluorescence analysis of HUVEC cells, using HGS antibody.

Rabbit polyclonal antibody against HGS protein. Immunogen region is Internal.

|                             |                        |
|-----------------------------|------------------------|
| <b>Target:</b>              | HGS                    |
| <b>Reactivity:</b>          | Human, Mouse, Rat      |
| <b>Host:</b>                | Rabbit                 |
| <b>Clonality:</b>           | Polyclonal             |
| <b>Tested Applications:</b> | ELISA, WB, IHC, IF/ICC |

**Recommended dilutions:** WB: 1/500 - 1/3000, IF/ICC: 1/100 - 1/500, IHC: 1/50 - 1/100, ELISA: 1/40000. Optimal dilutions/concentrations should be determined by the end user.

|                      |                                                                                                              |
|----------------------|--------------------------------------------------------------------------------------------------------------|
| <b>Immunogen:</b>    | The antiserum was produced against synthesized peptide derived from internal of human HGS.                   |
| <b>Purification:</b> | Purified from rabbit antiserum by affinity chromatography using epitope-specific immunogen.                  |
| <b>Form:</b>         | Liquid                                                                                                       |
| <b>Isotype:</b>      | IgG                                                                                                          |
| <b>Conjugation:</b>  | Unconjugated                                                                                                 |
| <b>Storage:</b>      | Aliquot and store at -20 °C. Avoid repeated freeze/thaw cycles.                                              |
| <b>Swiss Prot:</b>   | <a href="#"><u>O14964</u></a>                                                                                |
| <b>Buffer:</b>       | PBS (without Mg <sup>2+</sup> and Ca <sup>2+</sup> ), pH 7.4, 150 mM NaCl, 0.02% sodium azide, 50% glycerol. |
| <b>Note:</b>         | This product is for research use only.                                                                       |
