## Human Ki-67 Protein (Ki67P) Protein

Catalogue No.: abx067642

SDS-PAGE analysis of Human Ki-67 Protein.

Recombinant Ki-67 Protein (Ki67P) is a recombinant protein from Human. It is produced in E.coli using Prokaryotic expression.

|                             |                                                                                                                                                                                                                                    |

**Activity:** Not tested

**Concentration:** Prior to lyophilization: 200 µg/ml

**Buffer:** Prior to lyophilization: PBS, pH 7.4, containing 0.01% Sarcosyl, 1 mM DTT, 5% Trehalose and Proclin-300.

**Note:** This product is for research use only.
