Feces Catcher

Catalogue No.: abx098801

The Feces Catcher is a piece of flushable paper with two adhesive strips and instructions printed directly onto the paper. By sticking the adhesive strips on to the toilet seat, the stool is safe from possible sources of contamination, such as residual bleach, urine, etc. After use, the Feces Catcher can be flushed, for ease of use and added hygiene. This product comes packaged in boxes of 1000 units of Feces Catchers each and half a box for 500 units.

Storage: Store at room temperature.
